

HEAVEN'S DOORS

VERSE 1: Am | C | F ||

Am **C**
Locked behind fear
F
The door's been closed
Am
For what seems a long, long time
C **F**
The men tremble in the dark
Am **C**
But a woman draws near
F
To the gardener
Am
Out in the open, in the light
C **F**
The cherubim his royal guard

PRE-CHORUS 1: Am | Em | F | C | Am | Em | F ||

Am **Em**
And there's no
F **C**
Door that can block Christ
Am **Em**
Resurrection has a way
F
Of breaking in
Am **Em**
He says: "Peace be
F **C**
With you here this night"
Am
And he breathes
Em **F**
And sends them out to the earth's ends

CHORUS 1: C || C/Bb || Dm | F | C ||

C
May heaven's doors
C/Bb
Be flung open
Dm **F**
Be wide open
C
Wide open for us
C
May the gates of hell
C/Bb
Be knocked over
Dm **F**
Trampled over
C
Trampled over by us

VERSE 2: Am | C | F ||

Am **C**
Confused and surprised
F
A trance leads him to
Am
A knock from the outside
C **F**
Where Jesus breathes upon the lost
Am **C**
The door open wide
F
To our garden home
Am
To the tree of eternal life
C **F**
That Jesus climbed to pay the cost

HEAVEN'S DOORS

PRE-CHORUS 1: Am | Em | F | C | Am | Em | F ||

Am Em

There was

F C

Blood above their doors

Am

Of a lamb that spared them

Em F

Of a dark cold night

Am Em

And there is

F C

Blood for unmarked doors

Am

Of a man they pierced

Em F

Through hands, and feet and side

BRIDGE: C || C/Bb || Dm | F | C ||

C

And there's a "knock knock knock"

At the door

A muffled voice is calling

C/Bb

"Here I am, open up"

Dm

There's is a feast at your table

F C

And I'm able to dine with you

C

And there's no prison door

He can't shake to the ground

C/Bb

Yeah he's the God who folds

His clothes after he's out

Dm F

Of the underworld

C

And he dines with you

C

So hold fast to Christ

And he'll hold fast to you

C/Bb

And doors will open up

For the way and the truth

Dm F

He is life everlasting

C

And he dines with you

C

We want an open door

Yeah you've got the keys of David

C/Bb

Want an open door

That no one can ever shut

Dm F

We want an open door

C

To the wedding feast with you

HEAVEN'S DOORS

CHORUS 2: C || C/Bb || Dm | F | C ||

C

May heaven's doors

C/Bb

Be flung open

Dm

F

Ripped wide open

C

Wide open for us

C

May the gates of hell

C/Bb

Be cracked and broken

Dm

F

Smashed wide open

C

And liberated by us
